

9-11 Remembrance at

The Garden of Reflection

On the morning of September 11, 2009, a special Memorial Service will be held at the Garden of Reflection. All are invited to attend this special service marking the eighth anniversary.

The ceremony will begin at 8:30 am with our Tribute Flag lowered to half mast and continue on with the ringing of a fire bell marking the chronological events when the four attacks took place. Interfaith prayers will be offered by religious leaders after each moment is remembered. Our Bucks County Residents names will be read and a flower placed for each. A presentation of our Memorial Wreath to honor all 2973 victims of the attacks will be laid and the service will end at approximately 10:15 a.m.

The Garden of Reflection with its twin towering fountains is located at Memorial Park 1950 Woodside Road in Yardley, Pennsylvania. The Memorial is open throughout the day and into the evening, allowing for visitors to take private time to reflect. Flowers will be available for all to place in remembrance.
